If you have any questions, you may call the Clinton City Shops (801-614-0870), Monday-Friday from 7:00 a.m. to 3:00 p.m.

A MESSAGE FROM THE DAVIS WEBER COUNTIES CANAL COMPANY

The 2019 water season was great for snowpack and a wet spring. We ended the year with good storage. Since that time, Mother Nature has provided additional snow and it is anticipated that we will fill the reservoirs for this upcoming water season. With that said, this year we continue to encourage efficient use of the water and to conserve where possible. Please adjust your watering based on the weather. Please strive to only water your yard based on its 'need'. The State website (<http://www.conservewater.utah.gov/>) states "the typical Utah household will use twice as much water outside as necessary." We encourage all users to reference the State website for their weekly watering guide.

We require meters on all new secondary water services and have begun to retrofit existing services with meters. We are sending water use reports to those with meters in an effort to better educate the end user and better manage our limited water resources. Please contact us (meters@davisweber.org) and provide an email address so the report can be sent to you monthly.

The State has recently updated their regional conservation goals (<https://water.utah.gov/regional-conservation-goals/>). Thank you in advance for your wise water use efforts this upcoming water season, we want to continue the state ethic of efficiently using water in a wise manner. Check our website, www.davisweber.org, for further updates or restrictions. Remember to ensure your system is secure and ready for service by March 30th prior to us pressurizing the system. Often there is no need to water until May.

We want your input on walking and bicycling in North Davis County! The Cities of Clearfield, Clinton, Sunset, Syracuse, and West Point are making plans together to improve walking and bicycling with the North Davis County Active Transportation Plan. Your input can help shape the recommendations of this plan. Please take a moment to provide your thoughts via the interactive map at: <https://northdavisatp.altaplanning.cloud>. The deadline for public input is March 16, 2020.

CLINTON EMERGENCY RESPONSE TEAM (CERT)

Clinton City will be starting up a new Community Emergency Response Team (CERT) training for new members, beginning March 17th 2020 at 6:30 pm. The training will be held at the Clinton City Fire Station training room. On the first night of training we will be discussing the two different training options available. CERT teams are a very important part of our community's emergency response in the event of a large scale disaster. If you are interested, we could use all the help we can get. So, please stop by and join us. If you have any questions please contact Connie Valentine at cvalentine@clintoncity.com or call and leave a message at 8016140854 and someone will call you back.

"National Poison Prevention Week is March 15-21, 2020. This would be a great time to inspect your home for any medicines or household products, such as detergents, cleaning products, pesticides, and fertilizers that may not be stored properly and correct the situation immediately. Always store medicines and household products up high, away from and out of sight of children. Call 1-800-222-1222 for any poison-related questions.

Mark your calendars for the **2020 Clinton City Easter Egg Hunt**. The Clinton City Recreation Department and Fire Department are teaming up to host the event on Saturday April 11th at 9:00 AM **SHARP!** The Easter Egg Hunt is for ages 0-12 years old and includes a special needs section on the Football/Soccer Fields (2050 N 1500 W).
