**INSPECTIONS AND INSTRUCTIONS:**

1. A minimum of 24 hours is required for processing the permit after the completed application is submitted.
2. You must contact the Public Works / Streets Superintendent, (801-614-0870), at least 48 hours prior to commencement of this project to activate this permit. Permit application and approval alone does not allow for work to begin.
3. After the permit has been activated you will be required to contact the Public Works / Street Superintendent a minimum of four (4) hours prior to any back filling of the excavation.
4. After the excavation and any needed restoration(s) have been completed you must contact the Public Works / Street Superintendent in order to de-activate this permit; at which time the bond will be released. Failure to contact the Superintendent within seven (7) business days may result in forfeiture of the bond to the City.
5. A copy of this permit must be available on-site for review by the Public Works / Street

# AGREEMENT

For and in consideration of the granting of this street excavation permit by the City, the applicant agrees to comply with and abide by the following instructions and provisions with respect to the performance of all work under this permit.

**1. All work shall be performed strictly in accordance with Clinton Cities Development Standards as contained in Clinton City Code of Ordinances Title 9 as well as this agreement.**

**2. STREET CLOSURES**

The excavator shall not close any street or restrict traffic without prior permission of the City. In the event street closure permission is granted, the excavator shall notify the fire and police departments prior to road closure and length of time and closure shall be stated.

**3. UTILITY LOCATING**

Prior to excavation, notification shall be given to each utility company, which may have underground facilities in the area of the proposed excavation. All excavations must be done in accordance with UTAH CODE TITLE 54 PUBLIC UTILITIES..

**4. SIGNS AND BARRICADES**

The excavator shall erect and maintain about said installation during the excavation and until the street is restored to its normal condition sufficient guards, signals, barricades, and lights in accordance with the "Manual ON UNIFORM TRAFFIC CONTROL DEVICES" standards to prevent accidents.

**5. DAILY SITE CHECK**

The excavator agrees to make a daily check of the excavation and area to ensure the proper placement of warning devices. If notified by a representative of Clinton City that a problem or hazard exists, the applicant will take immediate action to remedy the problem.

**6. SAW CUT**

If the excavation is through asphalt or concrete the excavator shall saw cut the entire length and width of all excavations.

**7. ROADS RESTORED TO SAFE CONDITION**

The excavator shall restore roads to a safe and passable condition within 16 hours unless special permission is granted by the Public Facilities Inspector. All remaining repairs and restoration shall take place within 10 calendar days from the date of the first excavation.

**8. BACKFILL**

The excavator shall notify the City at least 4 hours prior to the back-filling of any portion of the excavation. All back-filling is to be compacted by mechanical means in one foot layers. Failure to notify the City will result in contractor re-excavation of the work to provide for proper inspection.

**10. REPAIR PIT EXCAVATIONS**

For single excavated areas less than 50' in length and 20' in width, all materials that are dug out of the trench or excavation shall be hauled off and disposed of at an approved site. The trench or excavation shall be refilled with new crushed road base and compacted to 96% and made ready for the asphalt finish surface. The trench or excavation shall be patched by the contractor with a minimum 1 foot T-cut and 4 inches of asphalt or 1" greater than the existing whichever is greater.

**11. CUTTING OF NEWLY PAVED STREETS**

The City's policy is not to cut newly paved streets for five (5) years from the time of paving. This applies to new streets, streets that have been reconstructed, and overlaid streets. However, in the situations where a street must be cut during this time period, the street shall be restored per the APWA Bituminous Pavement T Patch standard, latest edition.

**12. LIABILITY FOR CLAIMS**

The excavator agrees to and shall defend, indemnify, and hold the City harmless from any claims, losses, damages, or expenses arising out of or from the construction, maintenance, repair or replacement of pipelines and underground systems, and the cutting, alteration and replacement of roadway, curb, gutter, sidewalk, driveway, to the extent that such claims, losses, damages, or expenses are caused by the excavator's negligent acts, errors, or omissions.

**13. CASH BOND AND INSPECTION**

The excavator or homeowner shall file with the Department of Public Works a cash bond in the sum of \$500.00 or more based upon the estimated restoration fees as calculated by the City. The deposit shall be returned within 20 working days after the final inspection and acceptance by the City. Failure to obtain a final inspection will result in forfeiture of the cash deposit.

**14. RESTORATION OF EXISTING IMPROVEMENTS**

The Developer/Contractor shall be responsible for the protection and the restoration or replacement of any improvements existing on public or private property at the start of work or placed there during the progress of the work. Existing improvements shall include but not to be limited to permanent surfacing, curbs, gutters, sidewalks, planted areas, ditches, driveways, culverts, fences, and walls. All improvements shall be reconstructed to equal or better, in all respects, than the existing improvements removed.

**15. INSURANCE REQUIREMENTS**

Before a permit is issued, the Applicant shall furnish to the City evidence that such Applicant has a comprehensive general liability and property damage policy that includes contractual liability coverage.

I HEREBY ACKNOWLEDGE that I have read the instructions and provisions of this permit and agree to assume all duties and obligations provided herein. I am also aware of the responsibilities placed upon me by Ordinance No. 10-79 and accept those as contained therein.
