General Inspection Guidelines

- All inspections have to be scheduled at least 24 hours in advance.
- **No same day inspections will be performed.**
- Inspections will be performed either in the morning (09:00 – 12:00 pm) or the afternoon (12:30 – 4:00 pm). Specific times will not be given.
- All power and gas clearances will be called in the day after the inspection was performed.

A re-inspection fee will be charged for inspections that are not ready, and if we have to perform more than two visits to the same inspection.
