Dear Participants

Summertime brings an increased demand for various school, sports, cheerleader, drill team and scout Physical Exams. Often participants are left scrambling to find a medical provider that can supply these services at a reasonable price. This summer, NowCare will again be offering special pricing and promotions for these exams.

For our low price of \$20, NowCare will provide your student, athlete or scout with a complete physical examination including blood pressure screening, height, weight, urinalysis (protein and sugar) and vision exam. This exam meets the medical exam requirements for most school and athletic activities as well as scout camps.

In addition, from **July 27th through August 1st, 2009 we will further discount the price of the physical to \$10.** NowCare is pleased to offer this discounted service to your students and athletes by appointment or on a walk in basis.

NowCare is committed to promoting the health of our community and is pleased to provide this low cost service to our youth. Please find the enclosed flyer and feel welcome to share and copy to your scouts, athletes, students & staff. If you have any questions, please contact Nikki Streich at 801 621-3466.
