DISC GOLF

Jason said that the City has painted directions for the tee pads on the sidewalks. He still hasn't heard anything about signs. He said that if there aren't any signs, the painting on the sidewalks should be okay. He also said that he has had many pleasant feedback reports. Mr. Cluff said he thought the signs had been ordered.

HERITAGE DAYS

Jason said he has a wheeled basket, 5 putters, and the mini discs that we can use at our booth. Barbara said she would be sure to remind Recreation that we need racks for hanging our pictures. The members schedule is: Bev will set up the booth; Barbara will come to the booth after the parade; Jason and Scott will also come after the parade; Kent said he could be there between 1 and 2 PM; Terry will come at the end of the day. Bev will pick up all the Board items around 4:30 or so. Justin has his own booth, but will check with us when he can. Mr. Cluff said that the sidewalk is in at Veteran's Park and the masonry bricks are done, but he's not sure the bricks will be installed by Heritage Days.
