#### CLINTON CITY EMERGENCY CONTACT & NOTIFICATION SYSTEM

If you havent' already done so, now is a good time to sign up for the Clinton City Emergency Contact and Notification System. Or, if you have already signed up, it's a good idea to review your account information and make updates if necessary.

To sign up, click on the **Red Phone** (below) to follow the link to our website at [www.clintoncity.com](http://www.clintoncity.com) or, go to the website and click on the **Red Phone**. By registering, you can specify how you will receive notifications and you can keep your profile updated with accurate contact information to insure you are notified of important information or an emergency.

Please note that our Emergency Contact System is automatically and regularly updated through our Utility Billing system. If your information on file is not accurate, and you have not registered on our website, you may not receive EMERGENCY NOTICES. Please call our Utilities Department at 801-614-0700 to update your billing information.

If you are an owner of a rental property, please encourage your renters to register for notifications on our website, as this is the only way they will receive notifications or alerts.

When registering, please make sure to respond to the verification email to complete the registration process; check your e-mail including the junk mail folder for your verification email from Cloudspeaker (the provider) and respond to it to complete your registration. Also, check your security settings to allow messages to be delivered to your in box in the future. Thank you!

The Clinton Fire Department just finished an ISO rating inspection which reviews and rates the fire fighting capabilities as well as the water supply system of the City. The City received an outstanding rating of 03/3x (the lower the rating the better)! The City's previous rating has been 04/09. You may want to check with your fire insurance agent to see if this new lower rating will help lower your insurance costs. We congratulate our Fire Department and Water services division for their excellent service.

The annual lighting of luminaries at the Clinton City Cemetery will be held on December 20, 2018 at 6:00 p.m. The lighting of luminaries gives family and friends an opportunity to remember loved ones during the Christmas season. Everyone is welcome to come and enjoy the beautiful luminaries. Any questions, please call the Cemetery office Mon – Fri 7:00 a.m. to 3:00 p.m. (801-614-0870).

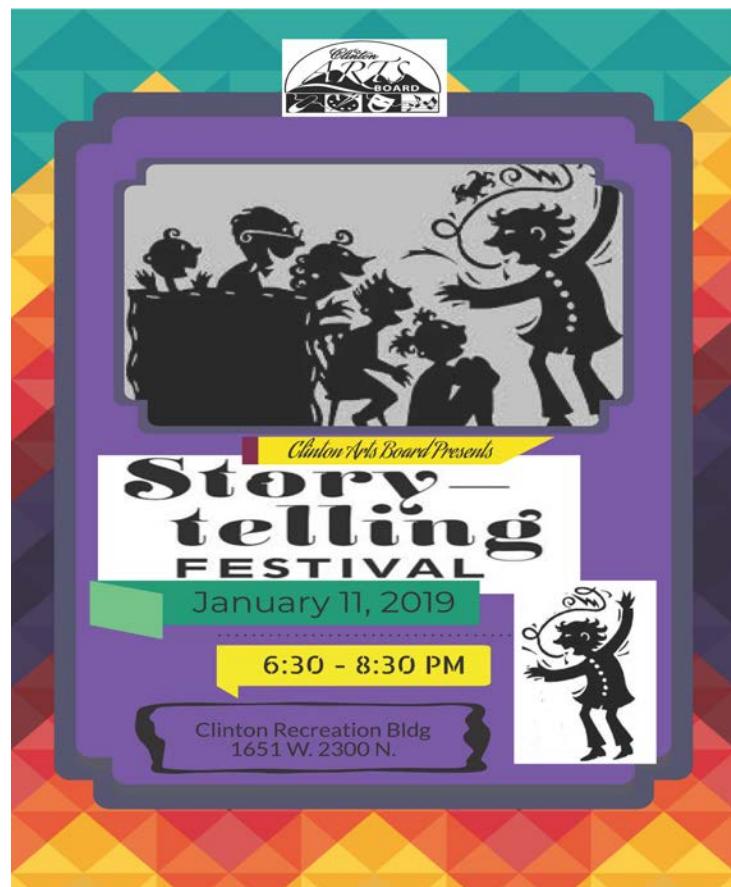

Clinton City would like to thank Voyage Academy for their community support and congratulate them for receiving the International Gate Keeper Award this past October. The award acknowledges their efforts to become educated about, and the measures they have taken to implement good safety practices in their school. See [www.voyageacademyutah.org](http://www.voyageacademyutah.org) to learn more.

**YOUTH COUNCIL NEWS**

The Clinton City Youth Council (CCYC) has been busy since the start of the new school year. They have contributed 650 service hours as a group across the community. Events they have supported were the Clinton City Fire Department Open House, Clinton Police Department Training Drill and the Clinton City Annual Pumpkin Walk. Their biggest accomplishment was planning, coordinating and hosting a Thanksgiving Dinner for the children from the Ogden Christmas Box House.

They are now preparing for Christmas activities they will participate in such as planning and serving the community with the annual CCYC "Food Knock & Drops" as well as the annual "Sub for Santa" event.

**CHRISTMAS TREE SAFETY TIPS**

When choosing a natural Christmas tree, always pick one that is fresh and not showing signs of dryness or leaking sap.

Failure to keep a Christmas tree moist and packing it full of lights and decorations increases the dangers of a fire. The small dried limbs and needles can become dry and ignite easily due to the concentration of hot lights, and flammable/combustible decorations, including popcorn etc... Make sure Christmas trees are at least three feet away from any heat source, like fireplaces, radiators, candles, heat vents or other types of lights.

According to the National Fire Protection Association (NFPA):

- One of every three home Christmas tree fires is caused by electrical problems.
- Although Christmas tree fires are not common, when they do occur, they are more likely to be serious.
- A heat source too close to the tree causes roughly one in every four Christmas tree fires.

Dispose of trees properly. Christmas Tree Pick Up dates are Tuesday January 8 and Wednesday January 9, 2019. Please have trees curbside by 6 am on Tuesday morning. Thank you!!
