Clinton City wishes to welcome our new Mayor, Brandon Stanger and newly elected City Council members Marie Dougherty and Gary Tyler. These individuals are looking forward to serving our community. Individually and collectively they bring experience and knowledge that will benefit our citizens in these times of challenge, change and growth.

Mayor Stanger and the City Council are strong advocates of public involvement. Citizens are welcome to attend public meetings in person; however, if this is not possible, meetings will now be streamed via Zoom and placed on the official Clinton City FaceBook page. The City Council meets the second and fourth Tuesday of the month.

#### **IMPORTANT WINTER INFORMATION AND TIPS**

##### **Sidewalk Snow Removal**

Please remember that ALL Clinton City property owners are responsible for keeping sidewalks along their property or business clear of snow and ice. Do not deposit snow in the street. Also, please keep bushes and trees near the sidewalks trimmed to provide a clear safe path for pedestrians.

##### **Winter Parking**

Winter Parking is in effect November 15th to March 15th. NO OVERNIGHT PARKING is allowed from midnight to 7:00 am no matter what the weather conditions are. Contact the Police Dept at 801-614-0800 with questions.

##### **Snow Plows**

Snow plows do their best to keep our roads clear and safe during snow storms. Please be patient and courteous to our drivers who work long hours, often on holidays and/or through the night clearing the snow from our streets. Major Roads and collector streets are plowed first followed by residential streets and cul-de-sacs.

##### **Winter Driving**

Please take the time to clear your windows of snow and ice before driving and drive slowly in inclement weather especially when approaching intersections & near schools.

##### **Vehicle Theft and Burglaries**

Please do not leave your vehicles unattended or unlocked while they are warming up.

##### **Removing snow from around hydrants is a crucial part of fire Safety!**

Be aware that snow-covered fire hydrants can delay fire services. If there is a fire hydrant near your home, please clear a wide enough perimeter around the hydrant for firefighters to work in case of a fire (at least 3 feet). Clear the path from the hydrant to the street. Doing this can save responders precious seconds or minutes when responding to a fire.

National Poison Prevention Week is March 20-26, 2022. Please take the time to inspect your home for any medicines or household products, such as detergents, cleaning products, pesticides, and fertilizers that may not be stored properly and correct the situation immediately. Always store medicines and household products away and out of sight from children. Call 1-800-222-1222 for any poison-related questions.
