MAYOR'S MINUTE

Marriage is what brings us together today. Marriage, that blessed arrangement, that dream within a dream. And love, true love, will follow you forever, so treasure your love.

If you have never heard that quote here is another line from the movie. "As you wish!" Still lost? Please watch Princess Bride and let me know how you liked it. Yes, I dated myself with those quotes. I was told I am officially middle aged since I now have a twenty year old. My guess is I also qualify since I've been married longer than I've been single.

If you are in love and need someone to perform your marriage ceremony, I would be honored (schedule permitting). True story, I asked another Mayor if they went online to get ordained. They answered me, "No, from the day you were sworn in you have been able to perform wedding ceremonies." By the way, did I mention I like to travel?

February is Valentine's Day and the month of love. I would like to share a short love story with you. Boy needs an elective in college and decides to take a dance class. Boy meets girl while dancing. Boy and girl fall in love and get married. Together they have 6 kids, lots of grandkids and a couple great grandkids. Boy gets sick and girl takes care of him. Boy passes away after final kiss from girl. Boy and girl were together for 47 years. This is my parents' love story. My father recently passed away and I will be forever grateful for his example. "Dad, thank you for your endless love towards my mother."

I encourage you to love your neighbors. Strong neighborhoods make for strong communities! Please make sure everyone feels welcome and loved. Clinton City is an amazing place to live. Let's continue to make it even better. #Strongertogether

"Death cannot stop true love. All it can do is delay it for a while" - Westley

IMPORTANT WINTER INFORMATION AND TIPS

Sidewalk Snow Removal

Please remember that ALL Clinton City property owners are responsible for keeping sidewalks along their property or business clear of snow and ice. Please keep bushes and trees near the sidewalks trimmed to provide a clear safe path for pedestrians.

Winter Parking

Winter Parking is in effect November 15th to March 15th. NO OVERNIGHT PARKING is allowed from midnight to 7:00 am. Call 801-614-0800 with questions.

Snow Plows

Snow plows do their best to keep our roads clear and safe during snow storms. Please be patient and courteous to our drivers who work long hours, often on holidays and/or through the night clearing the snow from our streets. Major Roads and collector streets are plowed first followed by residential streets and cul-de-sacs.

Removing snow from around hydrants is a crucial part of fire Safety!

Snow-covered fire hydrants can delay fire services. If there is a fire hydrant near your home, please clear a wide enough perimeter around the hydrant for firefighters to work in case of a fire (at least 3 feet). Clear the path from the hydrant to the street. Doing this can save responders precious time when responding to a fire.
