MAYOR'S MINUTE

Who remembers Goldilocks and the Three Bears? I do! As a kid, I read that fairy tale along with lots of Berenstain Bears books. As a quick refresher, Goldilocks visits a home of three bears. She tries their porridge and exclaims, "Too salty, too sweet, it's just right!" She then sits in their chairs and lies in their beds. "Too hard, too soft, it's just right!" One lesson this story teaches is the way forward lies in finding the middle path between opposites.

I am extremely proud of our city council. In February, an update to the city's Residential Multifamily (RM) Zone was passed. This has been the hardest and longest item we have worked on in the past two years. We have been working on this topic for almost an entire year. During that time, there were lots of work sessions, one of which lasted six hours and ended at midnight. We held numerous public meetings, hosted an open house, spoke to many residents and sought recommendations from staff and counsel. The city council is made up of five city council members and one mayor. If you didn't know, I don't vote unless there is a tie. You do the math on how often that happens! After sweat and tears, thankfully no blood, the vote was three to two. In the end, Goldilocks would summarize the votes as "Too much, not enough, and just right!"

The updated RM zone will allow for small lot single-family and attached unit townhomes to be buffer between our commercial zone and larger neighborhoods along the downtown corridor. The other area in this zone may be a future transportation corridor where the proposed extension of West Davis Corridor would be. This land is currently unincorporated Davis County, but we hope and feel it would be best served if annexed to Clinton City. The base zone allows for eight units per acre, and an overlay zone, depending on the density bonus, would allow up to twelve units per acre.

There are some great requirements that were established. All units must have a two car side by side garage. They must also have a 22 foot deep driveway so the F150s and F250s can fit. There is a 50/50 split to provide both small lot and townhomes based on total acreage. Another item that helps buffer is a fifty percent reduction in lot size between existing single family homes. For example, existing third-acre lots would only have sixth-acre lots abutting. We wanted the focus to be more on usable space than green space. All development must have 7.5 percent common open space, which will include amenities. Open space must be within 1000 feet of every home. There are no private streets, but a shared drive or alleyway is permitted. Parkstrips and sidewalks are required unless they are back to back units. Half of the units must be owner occupied. Building heights did not change. Stacked units or apartments are not allowed.

Remember the way forward lies in finding the middle path. Please reach out if you have questions.

SPRING CLEAN UP is scheduled for *Saturday, April 13, 8am - 1 pm* at the Clinton City Shops 1711 W 1700 N. No household garbage, batteries, oil, construction debris, paint, chemicals, glass, concrete or tires allowed. Please call 801-614-0870 with questions. Be prepared to show proof of residency.

NOTICE OF 2024 BUSINESS LICENSE RENEWAL

Late fees for business license renewals increased on March 1, 2024. In addition to the original amount due a penalty of 75 percent of the amount of the fee will be added. **All businesses** are required to submit a renewal application. *If you are no longer operating a business please contact Community Development at 801-614-0740, so we can remove your information from our active files. Failure to contact our office may result in a citation being issued for operating a business without a current license.

PARKS ADVISORY BOARD

Our parks are open for disc golf, walking dogs on trails, playground equipment, boweries, and pickle ball even during colder weather. Our next meeting will be in March, so if you have any ideas or suggestions to improve our parks and/or trails, please send them to: parksboard@clintoncity.com.

Our trails offer an excellent way to get out walking to start preparing for spring and summer activities. The Rail Trail, runs south from 2300 N along 1000 W; and the Clinton Creek Trail is located at 2050 N between 2000 W & 3000 W. Please pick up after yourself and your pets.

We also have a vacant spot on the board; if you are interested a volunteer application is available on the website.

Arts Board Member We would like to thank Randy Williams for his years of service with the Clinton Arts Board. Randy will be leaving the board next month so we are looking for a new member for a one year term.

A MESSAGE FROM PUBLIC WORKS

We are currently experiencing mechanical problems with some of the cross walks that have the flashing beacons. The repair parts are on back order, and the signs will be repaired as soon as possible. In the mean time please be careful crossing the road.

When using a **Rectangular Rapid Flashing Beacon (RRFB)** at a crosswalk, follow these steps to ensure safety:

Press the Button: Activate the RRFB lights by pressing the button. This alerts motorists that you intend to cross.

Make Eye Contact: Look at the drivers and **wait** until traffic is yielding before stepping out onto the crosswalk.

Check Traffic: Ensure that each traffic lane is clear before proceeding to the next.

Cross Safely: [Walk across the street while staying alert to traffic around you](#)

SEASONAL EMPLOYMENT – PUBLIC WORKS

The Clinton City Parks department is seeking qualified applicants to fill several seasonal positions for the 2024 summer season. Employment generally starts from March to October. However, consideration for school and other schedules will be reasonably accommodated. Applicants must be at least 16 years old, and must possess a valid driver's license. Applicants must also submit to, and pass a drug and alcohol test. ALL applicants MUST be willing to work well with others. Starting wage is \$12.00/hr. Performance increases will be given to those who exhibit a positive work ethic. Those with more experience may qualify for more.

Some of the positions that need to be filled are:

- Mowing crew
- Ball Field prep/maintenance crew
- Flower Beds/ aesthetics crew
- Sprinklers crew
- Parks maintenance crew
- Weekend work

Please indicate on your application as to what position you may be interested in.

Those interested in applying may pick-up an application at either City Hall (located at 2267 North 1500 West), or at the Clinton City Shops (located at 1711 N. 1750 W.), or on-line at <https://www.clintoncity.net/2415/Employment>. Applications must be turned in to the Clinton City Shops **no later** than 3:00 p.m. on March 22, 2024. If you have any questions, you may call the Clinton City Shops (801-614-0871), Monday-Friday from 7:00 a.m. to 3:00 p.m.

CLINTON CITY CEMETERY NEWS

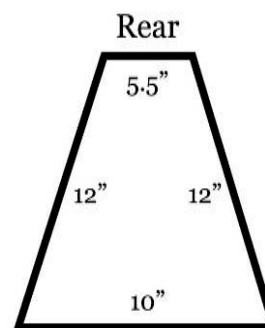

Clinton City now offers an alternative to traditional burial. For those seeking cremation services, we proudly announce the arrival of a new ossuary to our community. Located in the Cemetery, the ossuary is surrounded by a beautifully landscaped garden, and offers a peaceful, beautiful place for remembrance. All community members are encouraged to visit this new addition to our cemetery. The word ossuary is a combination of two words: ossuary and columbarium. It is a receptacle for the ashes of those individuals who have chosen the method of cremation for final disposition. An ossuary provides the option for the single placement of remains contained in a specialized, soft-sided urn using a depository to access the middle enclosure. However, the columbarium provides the option of companionship placement of remains in two individual urns, which are placed together in one niche.

The ossuary has a capacity of up to 180 individuals. The columbarium companion niche has capacity for 80 pairs (160 total). Each niche is designed to hold up to two urns within. Specifications for urn size are 5.5" x 5.5" x 7" square box or 10" high x 6" diameter for vase in order to fit properly within the niche space. No exceptions.

Please call the Cemetery office for more information 801.614.0871, or [CLICK HERE](#) to visit our website (www.clintoncity.com)
