#### MAYOR'S MINUTE

Matching game! No Google, No Siri, No Phone a Friend, No cheating! Email or text me if you got them all right without any help. Match the following: Biya, Castros, Kims, Obiang, Xoxha with 40, 42, 45, 59, 77. If you have not heard these names before, think of socialism, fascism, and communism. Please take some time to read up on them. I struggle to comprehend what it would be like to live under rule. Thankfully, in America we have freedom, democracy, and term limits for the President. I would vote for term limits for every elected position, but that is another article for another day.

Every month during the school year, I have an opportunity to have lunch with about thirty to forty elementary school kids. They take a tour of city hall and we talk a little about city government. Sometimes to help explain voter participation, I will ask ten students to raise their hands. Then I choose three people to stand up. For common core math whizzes, which is thirty percent. I find it sad that in last year's election the voter turnout in Davis County was only 30.68 percent. Clinton City was lower at 29.95 percent. Citizens, we can do better!

Please vote. Many people in the world would die for the right to vote. Let us use it and never lose it. I was touched when a recent immigrant who just received her citizenship shared how proud and excited she was to have voted for the very first time. Whether it is your first or hundredth time, take the time to cast that ballot.

Tuesday, November 5th, is voting day. The polls will close at 8:00 pm. For those who prefer to vote in person, the closest location is the community room connected to the recreation offices at 1651 W 2300 N. If you recently moved, you could also register in person that day. Mail in ballots must be postmarked no later than Nov 4th. You can drop your ballot into a ballot box until the polls close on the 5th. We do not have any city positions on the ballot this year, but we will next year.

I am proud to be an American. I am thankful for those who have fought to protect our democracy. I love that I have a vote. My hope is one day, one out of every two people in Clinton will vote. #StrongerTogether #GetOutTheVote.

I wish you all a Happy Thanksgiving. I am grateful for the opportunity to serve you.

Answer Key (ruler and years in power)- Biya 42, Castros 59, Kims 77, Obiang 45, Hoxha 40.

Winter parking will go into effect November 15 through March 15. No on street parking including vehicles or trailers is allowed from 12 am to 7 am regardless of the weather. This will allow our snowplows to maintain the roads efficiently, especially in the event of a surprise storm. You may contact the police department at 801-614-0800 to make special arrangements on a short-term basis.

Also, please trim all shrubs and trees to permit plain view of regulatory and caution signs, utility accesses, and so that they do not overhang the curb in the street twelve (12) feet or sidewalk eight (8) feet." This will help snowplows properly maintain our streets this winter. Call 801-614-0870 with questions.

Thanksgiving is the leading day of the year for home fires involving cooking equipment. Safety in the kitchen is important especially when there are a lot of activity and people at home. The National Fire Protection Association (NFPA) suggests the following safety measures: Stay in the kitchen when you are cooking; stay in the home when cooking your turkey and check on it frequently; keep children at least 3 feet away from the stove and hot liquids; keep the floor clear so you don't trip over kids, toys, pocketbooks or bags; keep knives out of the reach of children; keep electric cords out of the reach of children; keep matches and utility lighters out of the reach of children; never leave children alone in a room with a lit candle; make sure your smoke alarms are working. Test them by pushing the test button.

These are helpful tips to use during the holidays and all year.
