A MESSAGE FROM OUR POLICE DEPARTMENT

As we continue in this holiday season, the Police Department would like to thank the citizens of this great community for all the support they give us. Without the community that we serve we could not be the police department that we are.

We would like to welcome our newest officer; Officer Chandler Heber who has just completed the academy and will be assigned to the patrol division as a patrol officer. Officer Heber started his relationship with the Clinton Police Department as a high school intern where he first got a taste of the law enforcement bug. He has since become an Army Reservist and has completed the Police Academy through Weber State University. We welcome Officer Heber.

As a reminder the winter parking restrictions are in full effect at this time, **no on street parking between the hours of midnight and 7 am or anytime during active snow removal.** If the need arises, you can request special temporary parking permission by calling the police department at 801- 614-0800.

Another reminder is to keep your garage door closed and to not leave valuables in your vehicle where they are clearly visible. Please do not start your car and leave it running unattended in the driveway.

Don't forget "**See Something Say Something**" with your help we can all stay informed about what is taking place in our community. Here is just a little insight into what the police department did last month; 810 calls for service, 158 traffic stops and 16 arrests. And always remember we are here for you.

Happy Holidays and please remember to support our Clinton businesses.

NOTICE OF 2021 BUSINESS LICENSE RENEWAL

Business licenses for the 2020 business year will expire on December 31, 2020. For convenience, renewal applications were mailed in November. If for any reason you did not receive a renewal application, please contact the Clinton City Community Development Department at 801- 614-0740, and we will mail you another one. (Business license fees for renewal businesses, if applicable, shall be due and payable on or before January 1 of each year and shall be delinquent if not paid prior to February 1 of each year.) Thank you!

PARKS ADVISORY BOARD:

Eight pickleball courts are under construction at Meadows Park and are anticipated to be completed next spring. Even with the colder weather, you can still play disc golf in the Civic Center park, The Parks Advisory Board wishes everyone a Merry Christmas and Happy New Year!!

Christmas tree pick up is scheduled for Tuesday January 5th. Please have trees curb side by 6 am.

CLINTON CITY COAT DRIVE CANCELLED FOR 2020

Due to COVID-19 concerns, our annual coat drive has been cancelled. However, the Lantern House Homeless Shelter is accepting new and used coats, blankets and other cold weather gear.

Donations can be delivered to:

St. Anne’s Soup Kitchen
 269 West 33rd Street
 Ogden, UT 84401

(This is the smaller building on the north-east side of the shelter. At the entrance to the soup kitchen please use the doorbell to alert the staff, and they will come out to help you.)

We are disappointed that we are not able to hold this annual event, but hope to continue the tradition next year.

Clinton City Snow Removal Information

Winter

Snow Plow Facts:

- Plow blades cost \$1,100 each and only last 2 1/2 storms
- It takes 10 trucks/drivers about 12 hours to plow the City from a 3 inch storm.
- A 6 inch snow storm adds about 30% more time and money
- Note - cul-de-sacs & residential streets west of 2000 W in Clinton are contracted out for snowplowing.

WARNING!

DO NOT SHOVEL/BLOW SNOW INTO THE STREET

Piles of snow on roads create frozen bumps that contribute to car crashes and are dangerous for our drivers if the snow plow hits one! They also have the potential to create drainage problems, drifting, sight obstruction and hindered accessibility.

Plus, those piles slow the snow plow drivers down in the wake of a storm. DAMAGE TO SNOWPLOWS FROM SNOW BLOWN IN THE STREETS COSTS THE CITY MONEY. FINES MAY BE IMPOSED!

WHO DOES WHAT?

CLINTON CITY City Streets & Trails	UDOT State Roads	HOME OWNER Residential Sidewalks
Removal Timeline Begins at snowfall of storms projected to accumulate 3" or more of snow	Removal Timeline Keep at least one travel lane in each direction open in storms that accumulate at least 1"/hr	Removal Timeline Removal required within 24 hours after end of snowfall
RESPONSIBILITIES Approximately 80 lane miles plus trails	RESPONSIBILITIES 1800 N and 2000 W	RESPONSIBILITIES • Sidewalks in front of and along the sides of home • adjacent mailboxes • adjacent fire hydrants
PRIORITIES 1. Major Roads 2. Collector Roads 3. Residential 4. Cul-de-sacs 5. Trails	PRIORITIES • Principal Arterial • Minor Arterial • Urban Collector	

Blocked Driveways: Snow accumulated on the plow blade has no place to go but in the road right-of-way, which includes driveways. Many times snow plowing forms snow drifts across driveway approaches, which may create hardships for some residents. However, the City possesses neither the personnel nor the equipment to clear thousands of driveway approaches within the City. Snow removal from driveway approaches is the residents' responsibility.

Parking: Current City Ordinance prohibits parking on the street from November 15th through March 15th from midnight to 7:00 a.m. Residents can also help by removing vehicles, trailers and garbage cans from the street anytime snow plows are out working.

Also, please be aware City Code 25-11-6 requires Private Property Owners/Occupants to keep public sidewalks immediately abutting their property clear of snow within 48 hours of a storm. Do not throw, pile, or place snow from the sidewalk, driveways, or park strips into the street or gutter. It is especially important to keep snow cleared from fire hydrants. Thank you!
